FAO MONEY PANEL 1A

We are now putting on sale a second optional FAO Money Panel, containing 11 high value coins, 10 of them crowns, and our first banknote. The Panel, which is the size of this page, is illustrated overleaf, along with Panels 1, 2, 2A, 3 and 4. Panel 1A is in orange leatherette, hot-stamped in silver. Because of the scarcity of the coins, only 1,500 Panels 1A are being issued, and are available only to persons who have purchased FAO Money Panels 1, 2, 2A, 3 and 4. The all-inclusive sales price of Panel 1A is \$60, valid to 31 December 1974.

Persons who have also bought the complete FAO Album collections should know that Panel 1A does not contain any new coins. The 12 items in Panel 1A are the 7 East Caribbean crowns of Album Page 6, the Bhutan, Egypt, India and Honduras high value coins and the Jamaica banknote in Album Pages 11-13.

The Los Angeles manufacturer has given FAO a written agreement that Panel 1A will be ready for shipment at the latest by end November. Payment made out to 'FAO Coins' may be sent to one of the above addresses. The payment form below also allows for purchase of a complete set of the six FAO Money Panels 1, 1A, 2, 2A, 3 and 4.

With all good wishes,
